

NOTICE FOR THE AUGUST - DECEMBER 2025 SEMESTER

Mandatory Registration (Aug-Dec 2025) & One-Time Retrospective Registration

The August–December 2025 semester has commenced. Kindly find attached the Academic Calendar for planning and adhering to all key dates.

1. Registration

The registration deadline is Friday, 3 October 2025, and no extensions will be granted. All students, including those on attachment, must register every semester until they complete their studies.

2. One-Time Concession: Retrospective Registration

For this semester only, students who wrote examinations in December 2024 (July–November 2024 semester) or earlier without registration may retrospectively register so that their marks can be entered. Students who have missing semesters and marks due to non-registration are encouraged to take advantage of this concession as it will not be offered from next semester.

3. Examinations & Progression

- Examinations will run from 3 to 11 November 2025. Only registered students who are fully paid and have zero-balance owing may sit for examinations. First-Year students are expected to pay full fees by 30 September 2025 (as detailed in their offer letters);
- Students without coursework will not be admitted to examinations;
- Blind progression is strictly prohibited. All students must view and confirm their previous-semester results before registering for the next semester. Non-compliance leads to significant administrative complexities and personal frustration at graduation, including missing course marks, delays in clearance, and unbilled semesters that will be charged in full at that time. This requirement will be strictly enforced.

Date: 22 August 2025

NOTICE FOR THE AUGUST - DECEMBER 2025 SEMESTER

ACADEMIC CALENDAR AUGUST TO DECEMBER 2025
