

# RESULTS PUBLICATION AND SPECIAL EXAMINATIONS APPLICATION NOTICE

This notice outlines important dates regarding results, the start of the 2026 academic year, and specific procedures for special examinations.

## 1. Results Publication and Appeals

Results for the August – December 2025 semester are scheduled to be published on myHope on Thursday 11 December 2025. Students are required to clear all outstanding fees ahead of time to access their results.

Students who wish to appeal against the published results may do so from the date of publication up to 12 January 2025.

## 2. Special Examinations

Students who failed to register for and/or take examinations during the last semester, including those who failed to register for Attachment and Research Projects, are advised of the following special examinations route where students can apply between now and 2 January. The special examinations shall run from 19 January to 23 January 2026.

### To be eligible to apply, students must:

1. Clear all outstanding fees arrears; and
2. Pay the full August – December 2025 semester fees and a penalty fee of US\$100 needs to be paid for those approved to take the special examinations route (both for examinations and for late attachment/research projects registration).

## 3. Academic Calendar and Re-opening of the University

The University will officially close on Friday 19 December 2025 and reopen for returning students on 2 February 2026. The attached 2026 Academic Calendar highlights crucial dates for the semester, including registration periods and main examinations. Students must review this calendar to ensure proper diarisation to meet the key deadlines.

## 4. Fees structure for February 2026 semester

Please find attached the fees structure for the February to May 2026 semester for planning purposes.

**We wish all students an enjoyable and restful Christmas break.**
