

NOTICE TO RETURNING STUDENTS

CLOSE OF THE REGISTRATION OF THE FEBRUARY TO JUNE 2026 SEMESTER

This notice is to inform returning students that registration for the February to June 2026 semester officially closed on **31 March, 2026**.

Implications for Unregistered Students

- **Automatic Deferment:** All students who did not register by the deadline are considered to have deferred their studies to the August 2026 semester;
- **No Assessment for Students on Attachment:** Students on work-related learning who are unregistered will not receive assessment visits;
- **No Supervision or Assessment for Dissertations/Research Projects:** Supervision and assessment for dissertations and research projects will not be provided to unregistered students.

Action Required for Unregistered Students

The University strongly encourages all unregistered students who wish to continue their studies in the August 2026 semester to take immediate action towards clearing outstanding balances in preparation for the next semester.

Exam Eligibility May 2026 Examinations

To be allowed to take examinations, students must have settled at least 75% of their total tuition fees to be eligible for examinations. The payment must be completed by 30 April 2026.

We are sharing this information now to allow ample time for financial planning. We strongly urge all students to finalise their payments and obtain clearances as soon as possible.

Please note that no exceptions or excuses will be entertained on the day of the exams. Avoid the final-day rush to ensure your participation in the session.

Date: 16 April 2026
