

LEADERSHIP PROGRAMME

Horizon Africa Leadership in Higher Education

Date: Every Tuesday
30 September to 8 December

Time: 10:00–12:00 SAST

Format: Virtual

Description

The Horizon Africa Leadership Programme is a dynamic 10-session online experience designed to empower senior, middle and emerging leaders with future-ready capabilities for an evolving higher education landscape and driving Africa's higher education success. This programme advances leadership competencies in AI, change management and leading through complexity and diversity, while intentionally strengthening DEI practice and inclusive leadership. Through expert facilitation, peer learning and reflective practice, participants build the confidence, skills and strategic insight needed to accelerate personal career advancement and drive meaningful transformation across African higher education.

Why it's important

Attending the Horizon Africa Leadership Programme will help future-proof your leadership journey for Africa's advancement. You will gain in-demand AI and change leadership competencies, build confidence in navigating complexity and diversity, strengthen your inclusive leadership practice and accelerate your career through a powerful, continent-wide online learning community.

Key highlights

Develop a clear career path to advance both your success and Africa's future. Build a powerful network with academic leaders across the continent. Gain competencies that are relevant to Africa's unique context.

Objectives

- Build future-ready leadership competencies, including AI-informed decision-making and digital leadership
- Strengthen the ability to lead and manage change in complex, rapidly evolving environments
- Advance inclusive leadership practice with a strong focus on diversity, equity and inclusion
- Equip participants to navigate and lead across cultural, institutional and systemic diversity
- Enhance strategic thinking, adaptability and resilience in leadership roles
- Advance intentional personal and professional career development for participants
- Foster a strong African peer network for collaboration, learning and shared leadership impact

Why attend

To advance your career, strengthen your impact as a leader, expand your network across SADC and develop critical leadership competencies.

Target audience

Leaders at all levels in higher education across SADC, the broader African region and beyond.

Speakers: Renowned thought leaders and subject-matter experts contributing to African development and the future of higher education

Cost: SARUA members – USD950
Non-SARUA members – USD1050
