

Notice From The Registrar's Office

Establishment of the New Faculty of Health, Science and Technology and Appointment of Dr Priscilla Mataure as Interim Dean

On behalf of the Vice Chancellor and Executive Management, I am pleased to announce the restructuring of the Faculty of Agricultural, Environmental and Health Sciences leading to the establishment of a new **Faculty of Health, Science and Technology**, with immediate effect. Dr Priscilla Mataure has been appointed as Interim Dean of the new Faculty.

Following this restructuring, Dr Muziri will continue to lead the Faculty of Agriculture, Environment and Natural Resources in his capacity as Executive Director, Marondera Campus. Please also note the change of nomenclature to the Faculty of Agriculture, Environment and Natural Sciences.

Consequently, the Department of Health and Family Sciences and the Department of Information Sciences will now fall under the new Faculty of Health, Science and Technology. The Faculty of Agriculture, Environment and Natural Resources will retain Agriculture related Departments as well as the the Department of Environmental Management.

I would like to congratulate Dr Mataure on her appointment as Acting Dean and wish her every success in her new role.

I also thank all staff members for your continued support as the University implements this important institutional development.

Thank you.

Mrs T. Mutyambizi
